

HOME LEARNING

Each week on Friday, your child will receive homework. Each week there will be spellings to learn, a maths activity (linked to what we are learning in class) reading, and writing or SPaG activity. Homework must be completed each week by **Wednesday**.

It is vital that your child completes homework, the homework will help them to embed key learning from school and will allow them to develop their independence and routines.

Home Reading

Your child has been given a reading record and has taken home a book. It is so important that your child reads at home each night and brings their reading record back each day.

Genres:

In KS2, children are taught about different genres and collectively build on previous learning to expand their knowledge.

This half term Year 5 home readers will be:

- Action
- Adventure
- Contemporary Fiction

They will also get to read books from:

- Jacqueline Wilson
- Jeff Kinney

Dear Parents/Carers,

We hope that you have had a fantastic summer break and are feeling refreshed ready for a new year of learning and adventures! It is our absolute pleasure to welcome your children into Year 5. We look forward to working closely with you and your children to help them achieve their very best.

This half term, comes with all the excitement of a new year group, a new classroom and a new learning. We are sending this curriculum leaflet home so that you can have an understanding of the amazing things that we will be learning about in class so that you can support your child with their learning at home. This half-term will be a lovely introduction to the wonderful topics we will be covering in Year 5 and the expectations of children entering their next school phase! We are looking forward to working with you all! Together we can make a difference! All of the information about your child's home learning can be found on the back of this leaflet.

If at any point you have any queries or need any support please do not hesitate to catch either of us on the door, or to ring through to the school office and we will do everything in our powers to assist!

Kind regards,

Mrs Ashton and Mrs Shipp

Our Learning...

OAKWELL RISE
Primary Academy

In our Reading sessions, we will be reading *There's a Boy in the Girl's Bathroom* by the Author Louis Sachar. We will also be reading a variety of non-fiction texts. Including a text around the Ancient Greeks.

In Writing, we will be writing explanation texts. This will include, *How to create the ultimate Sundae*, *How to Sneak Your Monster into School* and *How to survive on a Desert Island*.

In Grammar, we are looking at different types of sentences, word classes, conjunctions, phrases and clauses.

In Maths, we will be starting our block on place value, which focuses on our understanding of increasingly large numbers. We will also be looking at fractions, decimals and percentages to understand their value.

In History, we will be learning about the Ancient Greeks. We will be looking at their civilisations, their culture and the ancient empire that they created.

In PE, we will be starting the year focusing on team games, primarily Football and Cross Country. PE lessons will be on a **Monday & Tuesday**. Children will need a full kit and cannot wear jewellery for these sessions. Please see the image (on the right) taken from the school website for PE KIT.

- Black shorts
- White or red t-shirt
- Black pumps or trainers

Be Kind

In Computing, we will be designing and planning our own information website, which will focus on the idea of being kind online.

In Science, we will be learning about the human body. We will be describing the changes that happen to humans as they develop and looking at recognising the impact of diet, smoking and lifestyle on the body and how it functions.

In Art, we are learning about the artist Peter Randall, with a focus on shapes in the natural environment.

In Spanish, we will be continuing to learn with our Spanish teacher—we will be developing our ability to speak in full sentences.

In PSHCE, we focusing are on being me in my world.

In RE, we will be looking at Sikhism and will focus on the question "What can I learn from role models and leaders?"

In Music, Year 5 will be learning to play Brass Instruments including the Tenor Horn.
