

# HOME LEARNING

Each week on Friday, your child will receive homework. Each week there will be spellings to learn, a maths activity (linked to what we are learning in class) reading, and writing or SPaG activity. Homework must be completed each week by **Wednesday**.

It is vital that your child completes homework, the homework will help them to embed key learning from school and will allow them to develop their independence and routines before they move on to the next part of their journey (Secondary School) where they will need to navigate and manage daily homework.

## Reading

### Home Reading

Your child has been given a reading record and has taken home a reading book. It is so important that your child reads at home each night and brings their reading record back each day as this will support them in their learning and most importantly develop that crucial love of reading!

### Genres:

In KS2, children are taught about different genres and collectively build on previous learning to expand their knowledge.

This half term Year 3 home readers will be Action and Adventure.

They will also get to read books from:

- Andy Shepherd
- Roald Dahl
- Non-Chronological texts by Klint Janulis

## STAR 6 Year 3

# Welcome to Year 3!

Dear Parents/Carers,

We hope that you have had a fantastic summer break and are feeling refreshed ready for a new year of learning and adventures! It is our absolute pleasure to welcome your children into Y3. We look forward to working closely with you and your child(ren) to help them achieve their very best.

This half term, comes with all the excitement of a new year group, a new classroom and a new learning. We are sending this curriculum leaflet home so that you can have an understanding of the amazing things that we will be learning about in class so that you can support your child with their learning at home. This half-term will be a lovely introduction to the wonderful topics we will be covering in Year 3 and the expectations of children entering their first year on the top corridor in Key Stage 2! We are looking forward to working with you all! Together we can make a difference! All of the information about your child's home learning can be found on the back of this leaflet.

If at any point you have any queries or need any support please do not hesitate to contact Miss Ogden, or to ring through to the school office and we will do everything in our powers to assist!

Kind regards,

Miss Ogden and Mrs Connolly

# Our Learning...

OAKWELL RISE  
Primary Academy

In our Reading sessions, we will be reading *The Boy Who Grew Dragons* by the famous author Andy Shepherd. We will also be reading a variety of non-fiction texts.

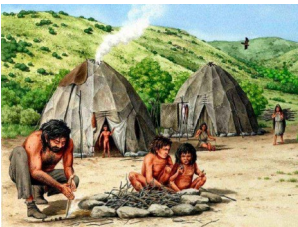

In Writing we will be writing non-chronological reports. This will include fact files about *The Bad Guys*, *Angry Birds* and *Fairy tale Villains!*

In Maths, we will be starting our block on place value, which focuses on our understanding of increasingly large numbers.

Thousands	Hundreds	Tens	Ones
Th	H	T	O
4	5	2	8

In Grammar, we are looking at different types of sentences, word classes, and a range of punctuation.

In History, we will be learning about the Stone Age to Iron Age. We will be looking at their civilisations, their culture and the way their lifestyle changed over time through technological advancements.

In PE, we will be starting the year focusing on team games, primarily Football and Cross Country. PE lessons will be on a **Friday** with our sports coach—Mr W and a **Tuesday** with Miss Ogden.

Children will need a full kit and cannot wear jewellery for these sessions.

Please see the image (on the right) taken from the school website for PE KIT.

Black shorts

White or red t-shirt

Black pumps or trainers

In Computing, we will be focusing on becoming Internet Legends by being safe online and learning how to navigate google slides..

In Science, we will be learning about the human body. We will be looking at our digestion, diet and teeth to promote healthy living. We will also be looking at how this impacts the food chain.

In Art, we are learning about the artist Georgia O'Keefe, with a focus on observation drawing of bones and landscapes.

In Spanish, we will be continuing to learn with our Spanish teacher—we will be developing our ability to speak in full sentences.
