

## SPRING 1

### A note from the Teacher

Welcome back after the holidays - we hope you have had a magnificent winter break and we cannot wait to hear all about it. This half term is jam packed full of lots of different learning opportunities and even a few external trips.

Below are just some of the interesting and exciting topics that we will be covering over the next six weeks...

### PE Timetable

Year 1	Year 2
Monday	Tuesday
Thursday	Thursday

## Subject News

### Reading

In reading, we will be focusing on applying our phonic knowledge to support reading unknown words and developing fluency and reading speed.

### Science

This half term, we have a range of STEM projects where we are going to be investigating and exploring lots of different questions linked to Chemistry, Biology and Physics

### Writing

This half term, we are writing recounts based on some fantastic traditional tales. The children will be focusing on using a range of conjunctions within their writing.

### History

The Norman Conquest - throughout the duration of the Spring term we will be focusing all of our historical learning on the Norman Conquest.

### Maths

Within maths, KS1 are working on multiplication and division. We will be practising: practical, mental and written methods.

### Art

This half term, our learning will be focused on the artist Lyubov Popova. We will be creating abstract artwork using paint.

## Home Learning

Each half term your child will receive a homework grid with 6 different learning tasks linked to the curriculum areas - these activities are to be completed across the half term. As well as this your child will receive a piece of maths and phonics / reading homework each week.

Your child will bring home a reading book and reading record daily, you and your child can share the story and fill in their reading record. Your child can swap their book daily - or as required.

## Star 6
