STARS TERMLY NEWS

A note from the Teacher

Welcome back!

Well, what a great start to the year!

Miss Pizzey and Miss Watmough are so proud of how we have settled into new routines, made new friends and got stuck into our new learning. We have already seen huge steps forward in our learning and this is all due to our positive attitude to learning.

As we enter into the festive season we have so many new and fun experiences to share together.

Subject News

Cognition and Learning

Over the next half term we will be exploring celebrations. We will be learning about key celebrations and all of the fun that comes with them. In Maths we will continue to work on understanding the number system and getting to know numbers.

Social, Emotional and Mental Health

We will be focusing on further developing our relationships with others - sharing and taking turns. We will focus on using our words to request items that we would like.

Physical and Sensory

We will be practising our fine motor skills through fun activities such as; drawing, writing, play dough and baking.

We will be developing our gross motor skills through football improving our physical skills and coordination.

Communication and interaction

Our main focus in Communication and Interaction is to develop our vocabulary either through speech, sign or communication aid. We are also developing our listening skills so that we are able to follow classroom instructions well.

Home Learning

We would love for you to read with your child as much as you can- whether that be a bedtime story, an audiobook or even a video of a story- a story every day can enhance child's language and vocabulary and help to develop a better understanding of the world.

Your child will bring home a reading book weekly- please ensure these are returned to school on a Thursday ready for a new book on Friday.
